

Discover and explore Cretan folk culture in beautiful, nearby unspoiled villages.

Enjoy traditional Cretan folk dance, eat and drink delicious fresh fare with the locals.

The best way to get a taste of Rethymno's rich traditions and ageless customs is to be welcomed by the locals and take part in one of the many festivals and celebrations which take place in villages around Rethymno.

The manifestations of the old traditions and customs are easy to enjoy in the local celebrations, "Panigiria", on the name day of the saint of one of the churches in the village.
