Subject: RFSC testing at Rethymnon

Dear Mr Papadourakis, dear Anastasios,
Dear Mr Tsimbiskakis, dear Mathew

On behalf of Ries Kamphof we personal would like to thank you for your warm welcome, hospitality and your time and effort to show us around Rethymnon as well. We had a great time in Rethymnon and enjoyed our staying very much. We are not only impressed by your commitment to the testing phase of the Reference Framework Sustainable Cities (RFSC), but are also very enthusiastic about your ideas and ambitions to transform Rethymnon into a sustainable city.

We wish you all the best with continuing testing the RFSC and gaining sufficient funds to achieve your objectives.

Don't hesitate to get in contact with the helpdesk of the RFSC (testingRFSC@nicis.nl) if you have any problems our need some support.

If you are planning to visit Holland, please let us know. We are happy to show you around and visit some Dutch sustainable projects.

I enclosed a picture to remember our visit.

With best regards,

Karel Willems
